3-Day Preschool

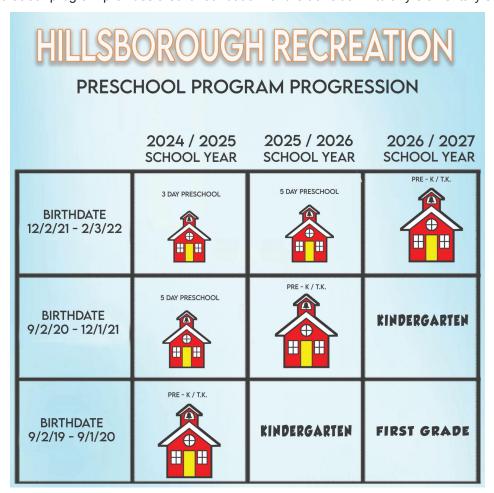

If your child was born between 12/2/2021 and 2/3/2022, you may enroll in our 3-day preschool program. This program will work in conjunction with our 5-day preschool program. In the Preschool program, the children participate in a full complement of developmentally appropriate activities including arts and crafts, manipulatives, dramatic play, songs, stories, fingerplays, and large motor activities both indoors and out. We also introduce basic scientific, sensory, and physical concepts, beginning math skills, upper case alphabet, and an introduction to vocal and instrumental music of different cultures. A hallmark of our program is to foster and nurture social and emotional growth while recognizing that each child is an individual and grows and develops at their own pace.

5-Day Preschool

If your child was born between 9/2/2020 and 12/1/2021, you may enroll in our 5-day preschool program. This program will work in conjunction with our 3-day preschool program. In the Preschool program, the children participate in a full complement of developmentally appropriate activities including arts and crafts, manipulatives, dramatic play, songs, stories, fingerplays, and large motor activities both indoors and out. We also introduce fine motor skills, basic scientific concepts, sensory, and physical concepts, beginning writing skills, spelling and name recognition, and an introduction to vocal and instrumental music of different cultures. A hallmark of our program is to foster and nurture social and emotional growth while recognizing that each child is an individual and grows and develops at their own pace.

Pre-K/Afternoon TK

If your child was born between 9/2/2019 and 9/1/2020 or your child is registered and currently attending the HCSD Transitional Kindergarten (TK) program, you may enroll in our Pre-K/Afternoon TK program. These are students who will transition together next year in Kindergarten. The Pre-Kindergarten program is a natural progression of learning for children who are in their final year of preschool. Pre-Kindergarten readiness skills are emphasized, including, but not limited to upper and lower case alphabet, age-appropriate mathematical concepts, writing skills, and pre-reading skills, as well as a broad appreciation of nature, science, art, cooking, and continuation of the exploration of music. All activities are conducted in a friendly, encouraging atmosphere that allows learning to take place at the child's own pace. A hallmark of our program is to foster and nurture social and emotional growth while recognizing that each child is an individual and grows and develops at their own pace. In addition, our teachers work closely with the school staff and kindergarten teachers to ensure that our program provides a solid foundation for the transition into any elementary school.

Dear Parents,

An important focus of the Hillsborough Preschool program is the continued development of the social skills and self-discipline necessary for the child to function successfully in small and large groups. At this point in the child's development, he/she should be acquiring a collection of strategies for handling problems and getting along with other children. Inappropriate reactive behaviors such as hitting, kicking, or biting should be discarded in favor of strategies such as talking out problems and requesting adult assistance.

Here at Hillsborough Preschool, no child may:

Hurt another in any way

Disrupt the work of another

Misuse the materials or equipment

We recognize that children mature at different rates and that they develop these positive social skills over time. However, to make the most productive use of the group's class time, the following process has been developed for use with those children who exhibit the inappropriate behaviors listed above:

- 1. Removal from the group and/or activity for a limited period.
- 2. Counseling with the teacher and/or director. A conference will provide an opportunity for the exchange of ideas on how to help the child.
- 3. A probationary period of one to two weeks.

In order to guarantee a quality experience for the total group, students who repeat these behaviors may be removed from the preschool program and their fees refunded.

Thank you, Hillsborough Recreation	
This will acknowledge that I/we, the parents of

During the school year, we will be having many fun and exciting activities and experiences. We would like to document/share these activities by photographing and/or filming the students. Teachers and parents will be the photographers/videographers. We need your support and agreement to allow us to do this. The pictures/filming will be done during classroom activities, field trips etc. The pictures may be posted at school, used in a newsletter, slideshows, poster board displays, our school web community, school projects, our classroom photo website, publications/ads for the Hillsborough Preschools, class yearbook, and student memory albums/video and on our Hillsborough Recreation web site and/or Hillsborough Recreation seasonal Catalog. We will not include your child's last name (with the exception of the yearbook), address, phone number or personal info when sharing/using the photos/film.
Yes you may photograph/film my child for the purposes stated above.

HTV Permission
Hillsborough Educational Television (HTV) is our local cable station shown on Cable Channel 27 only in the Town of Hillsborough. (HTV is not available on satellite). Parents, students, volunteers, and staff members will be filming student performances, presentations, and activities throughout the school year for viewing on HTV. HTV has strict guidelines to protect the privacy of our students. While your child's image may appear on HTV, programming does not include children's last names, addresses or telephone numbers. All programs pass through a multi-step review process before they are cablecast.
